

WHAT WE ARE LEARNING

February has been an exciting time of learning and growing! Many of the children are hearing the letter sounds in words and looking for them in the print around them. It is so great to see them learning and expanding their vocabulary.

They have enjoyed trying to learn the Spanish colors and practicing their Spanish numbers.

Currently we are working on Uu and Vv, as well as 16 and 17. They love to count that high, write those numbers and count objects. Most of them can count to 50 and love to show that they can.

We continue to work on sharing appropriately and being polite. In addition to doing "please and thank you" we look at not talking out of turn and not interrupting. These are a little more difficult but we are all working hard.

There is one change coming up soon that I wanted you to be aware of. Starting February 22 Miss Green, Canaland's Angels and Lions teacher, will be in our classroom helping out until Spring Break. She is able to complete some of her course work for the UWSP by working with us. We are excited to have her help.

Olivia and Biscuit

On Friday night Olivia waited with Crocket and his brothers for their dad to get home. They all gave him big hugs. Going to Rhinelander for a birthday party filled up Saturday. Homework, playing outside and getting ready to go to Mommy's filled up Sunday.

Grandma and Grandpa came to visit when Olivia was at Lila's house. Olivia stayed home from gymnastics and JoJo's birthday party but got to watch a movie later. They also snuggled a lot.

Biscuit got to attend an event at St. Paul's with Jorryn. They had fun playing games. On Saturday they played outside and then inside. After church on Sunday they went to McDonalds for lunch and had lots of fun.

With Lilly, Biscuit went to pick out Valentines for our party and visit Grandma. Saturday was spent at Jorryn's fun birthday party. They played games and princesses and watched the Super Bowl on Sunday.
